Dear Sir

Subject: DIDP Request on list of ICANN registrars

This is a request under your Documentary Information Disclosure Policy for information on ICANN accredited registrars according to the RAA version initially signed by them.

We acknowledge that ICANN provides a list of registrars on its website. However, for our research, we require lists of registrars separated according to the registrars:

1) Accredited in 1999 (5 registrars that were part of the SRS Testbed system)
2) Accredited since April 8, 1999 until the adoption of 2001 RAA
3) Accredited after the 2001 RAA and before the 2009 RAA
4) Accredited after 2009 till present

We hope that our request will be processed within the stipulated time period of 30 days. Do let us know if you require any clarifications on our queries.

Thank You
Asvatha Babu
Centre for Internet and Society, India
